temporary management of Government."

With reference to the above, I have the honour to state that the funds of the Institution have been held in the Treasury under two heads, viz, "Rosahead" and "Receipts of Insane Institutions under the temporary management of Government". The funds held under the latter are insufficient to meet current expenditures in the Mutt. Hence the bill for Rs. 164. 15. 2 being the amount of expenditure for October 1899 is herewith submitted for sanction and transmission to the Comptroller for audit and return, the amount being met from the Rosahead funds of the Institution.

2. It is further requested that orders may be passed for drawing the amount in future from the Rosahead Fund to meet the Mutt expenses.
